

Stourport Bowling Green Club - Safeguarding Policy Statement

- Stourport Bowling Green Club (SBGC) are committed to providing a safe and positive environment for all its members whilst participating in all activities both sporting and social associated with the club.
- Led by the Management Committee we will adopt Bowls England, Bowls Development Alliance and Worcestershire Bowling Association Safeguarding Policies, Processes and Procedures as appropriate and when necessary.
- This will include the appointment of Safeguarding Officer(s) who will act as points of contact to ensure that appropriate Good Practice Guidance, Reporting Procedures and Training are implemented.
- This will be achieved by ensuring that Safeguarding is reviewed and reported as an agenda item at the monthly Management Committee Meetings and by providing the Safeguarding Officer(s) contact details and making them easily accessible to all club members.
- In addition and as appropriate Training in safeguarding for all club officials will be undertaken to provide an environment that is positive, safe, engaging and inclusive for everyone.

Finally it must be understood and accepted that Safeguarding is everyone's responsibility and as such our members need to be aware of their role in delivering safeguarding by Listening, taking advice and most importantly acting on concerns in a timely manner. Please refer to the associated links and key contacts listed below for further information and support regarding this topic.
